

Terms of Service

Effective Date: 07/19/2025

Welcome to the PhD Tracker by AnoBrain platform ("Service"), operated by AnoBrain. By accessing or using the Service, you agree to the following legally binding Terms of Service and our Privacy Policy. Please read these Terms carefully.

1. Overview

The Service is a productivity and research planning platform intended for use by academic professionals, including graduate students and postdoctoral researchers. By accessing or using this Service, you accept and agree to comply with these Terms of Service.

2. Plans and Pricing

We offer the following service tiers:

- Free Plan: Includes essential features. AI-powered assistance is not included.
- Pay-As-You-Go Plan: Offers flexible monthly pricing based on actual usage. Users are charged based on their consumption of platform resources and features.
- Subscription Plans: Offer fixed monthly pricing with specified usage quotas. These quotas are clearly defined in the plan descriptions at the time of subscription.

All pricing and associated overage charges are disclosed in the relevant plan details.

3. Fair Usage Policy

All AI-enabled plans are subject to a Fair Usage Policy. This policy is designed to ensure equitable access and system integrity. Users who exceed the allotted usage under their plan may incur additional charges. These charges and usage limits will be transparently outlined within each plan's description.

4. AI Usage Disclaimer

The PhD Tracker includes features that leverage artificial intelligence (AI) for analysis, planning, and prediction. Users should be aware that:

- AI outputs are inherently probabilistic and non-deterministic.
- The accuracy, precision, or completeness of AI-generated content is not guaranteed.
- Users remain solely responsible for any actions, decisions, or outcomes resulting from reliance on AI-generated results.

Under no circumstances shall the Service or its operators be held liable for damages arising from the use or interpretation of AI-based outputs.

5. Acceptable Use

Users must not:

- Interfere with or disrupt the Service's infrastructure.
- Reverse engineer, decompile, or disassemble any part of the Service.
- Use automated systems to access the Service in a manner that degrades performance or exceeds intended usage.

6. Account Termination

We reserve the right to suspend or terminate any account that violates these Terms.

7. Amendments

We may amend these Terms of Service at any time. Updates will be communicated through appropriate channels. Continued use of the Service constitutes acceptance of the revised Terms.
